

PREMIUM NBX Subscription: Free 3Com NBX notes and software.

To register for your Premium NBX Subscription (and receive free 3Com NBX Notes & Software), simply call us at 419-893-1001 and gain access to our secure FTP site to download archived SS3 NBX and NBX 100 software updates up to Release 4.3.3

NBX OS Releases 4.2.6 and higher require purchased licenses from 3Com.

Please note: there is a delay processing your subscription request. The subscription requests are not instantaneous. We make no warranty or representation of the software, and this service is provided to registered NBX users which are customers of the Group seeking to actively manage their company/organizational NBX telephone systems.
